House of
Representatives,
A Talent Agency

Denny Sevier

The House of Representatives will be celebrating their 26th anniversary on 2/7/20. The agency is located in Santa Monica, CA. Denny is one of the founding partners of the agency. The agency represents actors for film, television and theatre. In addition to adults 18+, the agency also represents children. Over the years, the agency has enjoyed much success with clients booking series regulars, recurring roles, Broadway and regional theatre in addition to studio films and independent films. Denny has enjoyed being an agent and helping to guide actors to achieve success in their careers.
