- **Ages 8 and under**, your script is below to memorize.
- **Age of 9 and over**, you will be given the commercial script when you arrive at the Agency. This is called a “**Cold Script**”. You will have a short time while you are waiting for the Industry Professional and Local Representative to go over the commercial.

Bring the commercial to “**Life**”. We are **not** interested in your reading skills...we are interested in your “**Acting Skills**”.

We will be looking to see **how**:

- **animated** you are
- **creative** you are
- **what choices you make in the delivery of the cold script commercial**

Bring your “Resume” [[Sample Resume](#)] **along with your HEADSHOT.**
Staple your resume to the 4 corners of your headshot. Make sure the resume is facing out.

➤ **PARENTS:** Below are the scripts **to memorize**. The talent must say their slate [name, age, with Images Models] before the commercial. Parents work with them on their slate and commercial.
