

**Presents:**

**Saturday, June 14, 2025**

**April Baker**

April Baker is a powerhouse in talent management with over two decades of industry leadership. As the visionary founder of Magnitude Entertainment, launched just over a year ago, she's quickly made the company a global force in discovering and launching the next generation of stars.

As a former performer that started her professional career in Chicago, Ms. Baker now represents actors and actor/writers across the nation.

Ms. Baker has excelled in representation of talent, working with talent and has done so in the commercial, voice over, feature film, and television spaces.

From television and film to commercials and voiceover work, April has an unmatched track record of guiding talent into the spotlight.

Her clients have landed roles in hit series like **Percy Jackson - Bunk'd**, **The Mandalorian** on Disney+, **The Cleaning Lady** on FOX, **Griselda** on Netflix, **Love, Victor** on Hulu, **Party of Five**, **Just Roll With It** – Disney Channe, **No Good Nick** on Netflix, and her roster includes some of the most sought-after voice actors and even leads from Oscar-nominated films.

Known for her sharp eye, hands-on approach, and unstoppable passion for the craft, April Baker continues to shape the future of entertainment—one rising star at a time.
