**Brian Vogel**

Brian Vogel has been searching for talent across the country for the past 25+ years. His keen eye for new upcoming talent is exceptional and extraordinary. Images St. Louis' successes he has found throughout the years are Nathan Dreher, Eric Puhlmann, Heather Gilbert, MC Henderson, Joseph Lydon, Anita Stigler, Stephen McIntosh, Austin Cravens, Chloe Phillips, Braxton Angle, Dustin Pewitt, McKensie Holland, Caleb Martin, Kennedi Butler, Christopher Farrar, Brady Barnes, just to name a few.

The Industry Network is the country's leading boutique talent convention designed to promote emerging talent to leading Agents, Managers, and Casting Directors. Industry Network Talent Scouts and Member Academies, within the United States only, search for stand-out talent ready to perform. At the biannual convention extravaganza hopeful artists of tomorrow, try out for the VIP Awards Night Production and compete for coveted titles, awarded in front of hundreds, at the amazing final night dinner gala. The organization, planning, education, experience, and good old-fashioned competition are unparalleled as a vehicle of opportunity. The transformation which often proceeds from its rigors is astonishing. Talent are put to the test at The Industry Network Event and as a result becomes more skilled and experienced. Confidence is the key to success in life and is gained through experience. The Industry Network puts your practice and development on hyperdrive, and is designed to be a safe, constructive, incredibly fun, first step into the highly competitive worlds of Acting, Modeling, and Singing. Not to be missed for those who love to compete and dream BIG!

Top agents, casting directors, and personal managers can meet performers interested in starting or even continuing their careers in acting, modeling, and singing in a professional and pre-screened environment. Talent can show their skills and attributes, in person and have the most successful chance of being recognized by industry professionals.

IN agents and managers represent actors in today's biggest feature films, like *Top Gun: Maverick*, *Elvis*, *Thor: Love and Thunder*, *Jurassic Park: Lost Kingdom*, and *Hustle*. They have booked their talent on TV shows such as *Stranger Things*, *Grace and Frankie*, *High School Musical the Series*, *The Mandalorian*, *Young Rock*, *Coop and Cami Ask The World*, *Star Trek: Picard*, and many, many more.

IN has worked with many of the world's biggest modeling agents. These agents have models gracing the covers of every major fashion magazine and landing campaigns such as Gucci, Dolce & Gabbana, Chanel, YSL, Tommy Hilfiger, Forever 21, and H&M...just to name a few.
